Docket No. 98N-1265

Food and Drug Administration 99 APR -9 AM 11:06

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I was outraged when I heard that  
you are considering passing Draft M.O.U.  
After a few years of misery in taking the  
standard doses that large drug companies put  
out, I have finally gotten my hormones regulated  
to the point that I really feel good again  
by having my hormone prescriptions made up  
especially for my needs.
